

Memorandum

Date: May 13, 2010
To: Members of the Main Street Monroe/Downtown Development Authority
From: Andrea Jones, Main Street Manager
Re: 2010 Façade Grant Recommendations

I have attached all of the 2010 Façade Grant recommendation information. The application for 113 East Front Street was received after the deadline, but there were remaining funds and the Façade Grant Committee agreed that the project would have an impact along the Riverwalk.

Enclosed please find the following:

- Façade Grant Committee Recommendation Summary;
- Historic District Commission Comments; and
- Pictures of the proposed projects.

The Façade Grant Committee also reviewed updated quotes for 110 South Monroe Street and made a recommendation in favor of funding up to \$10,000 for the project. However, I have been informed that the property is being transferred back to the previous owner (Bev Catto) making the current application void. Ms. Catto is free to submit a Façade Grant application for the property if she chooses.

Thank you.
