Re: Monroe Magazine Ad

Attached please find the ad that will be in the December-February issue of Monroe Magazine. The Promotion Committee agreed that they would like to put another ad in the magazine following the inaugural edition. Since the purpose of the ad is to promote the website, it was fitting to do a screen shot of the homepage and place that in the ad instead of finding a picture that might date the ad. Due to deadline requirements it was necessary to move forward with the ad prior to the MSM/DDA meeting. Given the cost of the 1/3 page ad (\$400), I was able to approve the expenditure for the Committee.

Thank you.
